

## HybridBlower 3400

Compact design, lightweight and powerful carpet dryer that significantly reduces drying time of carpets, walls and ceilings, and is ideal for use after floods, spillages or extraction cleaning.

### IDEAL FOR WAREHOUSES PARKING AREAS RETAIL

- Lightweight at only 8 kg and more compact in size than a traditional blower
- High airflow for rapid drying
- Aids air circulation and ventilation
- Three-speed switch to select the optimal airflow for the job
- Easy carry handle for comfortable portability
- One of the most effective solutions for structural drying after floods or leaks
- High density Polypropylene housing is both durable and lightweight
